Hacemos clic en
Download Videos.

Descarga de Video con Atube Catcher

The screenshot shows the aTube Catcher 3.8.5187 application window. The title bar reads "aTube Catcher 3.8.5187 - Studio Suite - 100% Freeware - DsNET Corp. 2013". The menu bar includes "Archivo", "Herramientas", "Perfiles", "Ayuda", and "Buscador de videos". The main interface has a toolbar with buttons for "Downloader", "Stream Catcher", "Screen Record", "Video Converter", "DVD/BluRay/CD Creator", and "Audio Recorder". Below the toolbar, there is a text input field labeled "URL del Video:" containing the URL "http://www.youtube.com/watch?v=6-F9L9avcwo". A red arrow points to this field. To the right of the input field is a "Pegar" button. Below the input field is a dropdown menu labeled "Perfil de salida" with "WMV (Windows Media Video VBR)" selected. To the right of the dropdown is a "Descargar" button. Below the dropdown is a "Guardar en:" field with the path "C:\Users\Valeria\Videos". To the right of the "Guardar en:" field is an "Opciones" button. On the right side of the interface is a globe icon with a green arrow pointing down and a yellow lightning bolt. Below the main interface is a table with columns: "Título", "Progress", "Status", "Tamaño", "Perfil de salida", and "Video URL". The table is currently empty. In the bottom left corner, there is a yellow circle with the number "4" and an orange box with the text "Pegamos la URL del video."

4 Pegamos la **URL** del video.

The screenshot shows the aTube Catcher 3.8.5187 interface. The title bar reads "aTube Catcher 3.8.5187 - Studio Suite - 100% Freeware - DsNET Corp. 2013". The menu bar includes "Archivo", "Herramientas", "Perfiles", "Ayuda", and "Buscador de videos". The main area has several tabs: "Downloader", "Stream Catcher", "Screen Record", "Video Converter", "DVD/BluRay/CD Creator", and "Audio Recorder". The "Downloader" tab is active. It features a text input field for the video URL, currently containing "http://www.youtube.com/watch?v=6-F9L9avcwo", and a "Pegar" button. Below the URL field is a dropdown menu for the output profile, currently set to "WMV (Windows Media Video V1 VBR)". A "Descargar" button is to the right of the profile dropdown. Below the profile dropdown is a "Guardar en:" field with the path "C:\Users\Valeria\Videos". A table with columns "Título", "Progress", "Status", "Tamaño", and "Perfil de salida" is visible at the bottom. Two red arrows point to the profile dropdown (labeled with a yellow circle containing the number 5) and the "Guardar en:" field (labeled with a yellow circle containing the number 6). Two orange callout boxes provide instructions: one for the profile dropdown and one for the destination folder.
